How to Upload COVID Vaccine Information into your Vassar College Electronic Health Record

1) **Login or Register at** [https://vassar.medicatconnect.com/](https://vassar.medicatconnect.com/)

   ![QR Code](https://example.com/qrcode.png)

   **Welcome To Our New Patient Portal!**

   You may login using your current Medcat User Name and Password, or if you are a new user, please click the Register button now. Once logged in, you will have access to online services such as:
   - Uploading documents electronically into your health record
   - Self-scheduling for virtual or in-person appointments
   - Completing pre-visit electronic questionnaires
   - Accessing appointment specific patient education material
   - Utilizing mobile self-check-in to avoid waiting rooms
   - Communicating with health services staff using secure messaging
   - And so much more....

2) **Once logged in, click on “Immunization” and wait for the immunization page to load.**

   **COVID-19 RESOURCE CENTER**

   Use the link [https://vassar.medicatconnect.com/education.aspx](https://vassar.medicatconnect.com/education.aspx) to connect to various covid-19 resources, including up to date recommendations, data and support.

   For COVID Vaccine Information in New York State: [https://am-i-eligible.covid19vaccine.health.ny.gov/](https://am-i-eligible.covid19vaccine.health.ny.gov/)

   Reminder that only eligible individuals may obtain Covid 19 vaccines at this time.
3) Click on the blue “Recommended” banner

4) Use the calendar or enter the date of each vaccine. Be sure to document under the Brand vaccine you received (Moderna, Pfizer, Johnson and Johnson). Then click submit.
5) Click OK to finalize the process.

6) Please repeat this process for each dose of the vaccine received if it was Moderna or Pfizer.
